RE: Case 3:73-cv-00127-RCJ-WGC Document 2074 Filed 09/09/14

22 September 2014

To Whom It May Concern,

I do not know what these documents, that have been sent to me, reference. I do not know what I am supposed to do with them or how to respond. There is not a contact phone.

It may be that this has to do with the property that I own at 18 Cardon Lane in Yerington, Nevada. If it does and there is something I am supposed to do to respond to these legal documents I need to know what that response is supposed to be and why I am responding.

~~Case reply to this and provide me with information~~
ALSO the name and address that is being used is incorrect:

Defendants.)	ENTITIES
)	

This Order follows the United States of America's ("United States") filing of its *Eighteenth Report of the United States of America Concerning Status of Service on Certain Persons and Entities*, Case No. C-125, Subproceeding C-125-B (November 21, 2013, Doc. #B-1953) ("Eighteenth Service Report").

Any comments or objections were to be made no later than December 21, 2013. The United States reports that by December 21, 2013, the United States was contacted by two individuals with the following comments. Bill Brandt for the Silvester 2011 Revocable Trust contacted the United States concerning Patricia Alexander and informed the United States that Ms. Alexander was not at his address as the United States had previously believed. Additionally, Ned Welsh (for himself and Diane Welsh) informed the United States that their property is on an irrigation ditch. As a result, the United States will update Ms. Alexander's address in the event it determines Ms. Alexander's correct address in the future and the United States requests the dismissal of Ned and Diane Jeanne Welsh.

The Court hereby APPROVES AND ORDERS the relief requested therein by the United States.
